

2006 ALABAMA JUDICIAL CAMPAIGN OVERSIGHT COMMITTEE

CAMPAIGN AGREEMENT

The actions of candidates for judicial office affect the integrity and independence of our judicial system reflecting on both the Alabama Judicial System and the State of Alabama. Therefore, it is important that judicial election campaigns be conducted in such a way that enhances the candidate’s reputation, brings credit to the individual, and reflects the dignity and integrity of judicial office and the independence of the judiciary.

Canon 7, Alabama Canons of Judicial Ethics, sets minimum standards for campaign conduct. However, candidates for judicial office should aspire to a level of campaign conduct that reflects their respect for the dignity and integrity of judicial office and the independence of the judiciary.

In keeping with these principles and objectives and in order to promote public confidence in both attorneys and judges, I hereby agree to conduct my campaign in accordance with the Alabama Canons of Judicial Ethics. I further agree to disavow advertisements that impugn the integrity of the judicial system, the integrity of a candidate, or erode public trust and confidence in the independence and impartiality of the judiciary by verbally or visually attempting to lead voters to believe that a candidate will decide issues or cases in a predetermined manner.
